

Quality, Health Safety and Environment (QHSE) Policy

We aspire to be the market's choice in providing maritime activities and services for transport of Passenger and Vehicles, Heavy Goods Transport; Oil and Gas Logistical Support; Leisure activities, Boat/ Yacht Rentals and Workshop services. Joan Al Kuwait is one of the few companies in Kuwait that managed to acquire the mandate on all five categories.

We at **Joan Al Kuwait Marine & Logistics Co. K.S.C.C** are committed to continual improvement of Quality, Health Safety and Environment Management by:

- Effective planning & monitoring the progress of each work order /job and controlling the execution by adopting and implementing the latest project management practices.
- Enhancing the skill levels of employees by providing regular training in all aspects of Quality, Safety, Health & Environmental care, technical know-how and reliability at the core aspects of our business and striving for continual improvement.
- Preventing Environmental Pollution and reducing waste with the objective of minimizing the impact of our activities on the environment.
- Enforcing that quality & safety is the responsibility of every employee and every functional unit to prevent injuries and ensure a safe work environment
- Eliminating hazards and reducing risk.
- Consultation and participation of employees.
- Establishing a framework for setting and reviewing QHSE objectives, and ensuring compliance with all applicable legal and other requirements as part of the Integrated Management System, in accordance with ISO 9001:2015, ISO 14001:2015, and ISO 45001: 2018

Chief Executive Officer
